Details

We'll open the floor to anyone that would like to present a 5-minute talk, in the style of Ignite.

Bring your presentation, 20 slides, auto-advancing every 15 seconds. If you'd rather, bring it as a PDF file, and we'll present it for you.

See more about this style here: http://igniteshow.com/

Bring your ideas, things you want to get someone else thinking about, and then we'll hang out, chat and drink beer on our rooftop.

We're currently limiting this to 30 people, because we're not sure about our space adaptation yet, so please RSVP with care.
