Finally!

We'll be hosting the first nycdevops meetup Wednesday, November 3rd at the [drop.io](#) office in dumbo.

As a bonus, Bryan McLellan from Opscode will be joining us to hang out and talk about Chef.

Check out Bryan here:

Check out Opscode here:

There's no real agenda outside of meeting, greeting, discussing war stories, and coming up with ideas for future meetups.

There will be beer.

For directions and instructions on how to get into the building, visit this url:

See you then!
