## Details

Peter Kim presents "Dr. Strangelove : How I Learned to Stop Worrying and Love the Self-Service Build & Deployment Bomb. A DevOps Story with ControlTier"

Peter Kim is the Software Control Director at INVISION, Inc where he manages the build and release engineering operations for the company's flagship product, DealMaker. Peter will discuss the challenges he faced when staffing decreased, forcing him to change his service model. He will also introduce ControlTier, an open source automation framework, and show

how it helps development teams build better software faster through self-service deployment functionality.
