Details

The [devopsdays.org](#) crew is (finally!) throwing an NYC event!

Please register here - <http://www.devopsdays.org/events/2012-newyork/>

This is a big event, with people coming in from all over the world. I hereby personally encourage the locals to submit talks or sponsorships.

Lets show the world how NYC does it.

Call for proposals close October 15th -<http://www.devopsdays.org/events/2012-newyork/propose/>
